6/7/2009

10th CESifo Venice Summer Institute: conference:

Klaus Wälde and Christopher Flinn (New York University) are organising a workshop (6 and 7 July) on European Unemployment as part of the 10th CESifo Venice Summer Institute. The workshop brings together researchers working on European unemployment with a strong methodological focus. Methods include macroeconomic equilibrium models with calibration and micro-based search frameworks estimated using panel or event history data. The analysis of policy questions will be central. Keynote speakers are Christopher Flinn (New York University), Lars Ljungqvist (Stockholm School of Economics), Jean-Marc Robin (Paris School of Economics) and Robert Shimer (University of Chicago).
