Acknowledgments

This workshop is an activity of COST Action IS0701, which supports a network of economists analyzing firm-level data (web.ceu.hu/labor/cost). We are also grateful to SIRE (Scottish Institute for Research in Economics), IDRC (Canada’s International Development Research Centre), and ACES (Association for Comparative Economic Studies) for financial support, and to Stuart Sayer, Edgard Rodriguez, and Josef Brada for facilitating this support. The main organizers of workshop are SIRE (local organization) and the Upjohn Institute for Employment Research (scientific organization), and we especially thank Gina Reddie and Joanne Lowery for their extraordinary efforts. The Scientific Committee includes J. David Brown, John S. Earle, and Johannes van Biesebroeck.
